SUBMISSION OF TERMINAL DISCLAIMER

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

In accord with the telephone conference held April 12, 2005, between the Examiner and the below-signed attorney, enclosed please find a Terminal Disclaimer over parent patent U.S. 6,700,016.

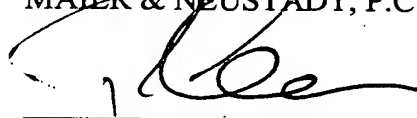

With regard to the presently allowed application, Applicants note the Examiner's Statement of Reasons for Allowance, and wish to point out that claim 11 relates to a process for the purification of acrylic acid, while claim 20 relates to a process for the preparation of acrylic acid. Thus, whether the impurities removed in the claim 11 process and those removed by the purification process in the preparation claim 20 are the same or different is not an issue.
